

Accelerated BE/MS Program in Civil Engineering Recommendation Form

To the Applicant:

Please provide two recommendations from people qualified to evaluate your background and potential for success in a graduate program. At least one recommendation must come from a Stony Brook Civil Engineering faculty member. The second recommendation may come from a professor outside of civil engineering, or other professional who is familiar with your academic background. Select someone who you know personally and is familiar with your academic aptitude, motivation and dependability, and potential for professional growth. Completed recommendation forms must be submitted directly to the Civil Engineering Office.

Applicant's Name (please print):

Stony Brook ID Number:

Name of Recommender:

To the Individual Completing This Evaluation:

The student named above is applying for admission to the Civil Engineering Accelerated BE/MS Program (AP) at Stony Brook University. In consideration of each application, emphasis is placed on comments from references concerning an applicant's academic preparation and potential for success in a graduate program. We are particularly interested in your perceptions of the student's academic aptitude, and motivation for graduate studies.

The applicant may not be fully considered for admission until all recommendations are submitted, so please complete and return this form promptly to: Civil_Engineering@stonybrook.edu.

1. How long and in what capacity have you known the applicant? Please be specific.

2. Is the applicant's scholastic record an accurate reflection of his/her academic ability? If not, please explain briefly.
 - Yes
 - No
 - Don't Know

3. How would you evaluate the applicant in comparison to other students whom you have known at similar stages in their academic careers?
