

### Degree and Certificate Completions by Award Level, 1960-61 to 2023-24

**About these data:** Prior to 1987, completions for Stony Brook's East Campus programs are recorded in IPEDS/HEGIS as the SUNY Health Science Center at Stony Brook (UnitID 196282); 108 MD completions in 1987-88 were not reported to IPEDS, but have been added in to the total of 304 doctoral and professional degrees listed above. Some completions previously reported on the former OIR website have been restated to conform with IPEDS reporting standards for degrees awarded between July 1 and June 30; in limited instances, this may include degrees and certificates may have been completed in a prior year but not awarded until the reported year. Non-credit certificates or other informal awards are not reported
