Counts represent employees on payroll as of Nov. 1 who are active, on leave with pay, or paid on a suspense account; graduate assistants and student employees are excluded. Individuals are counted only once based on their primary role. Counts include employees with state appointments as well as those with appointments through the SUNY Research Foundation, and will exceed staff totals reported to IPEDS. Counts exclude faculty employees whose primary occupation is instruction, research, public service or a combination thereof. Administrators and librarians with faculty status are counted as staff. Employees in the University Hospital, Long Island Veterans Home, affiliated east end hospitals or those whose employment is managed exclusively through CPMP-PEO are not included. Other employees not represented in this table are those classified as special fund estimate (SFE) employees, employees associated with Stony Brook Child Care Services, and Faculty Student Association (FSA) employees. Data for race/ethnicity categories were collected and reported using definitions from IPEDS; values for 2012 and earlier have been revised to reflect these conventions. Individuals may be counted in only one category. Percent of total uses the total number of students as a denominator; changes in unknown race/ethnicity can distort percentages. Percentages of U.S. citizens and legal residents with known race/ethnicity remove individuals with unknown race/ethnicity as well as U.S. Nonresident (international) employees from the denominator; this calculation is comparable to figures from the U.S. Census.
