**General Education Assessment Initiatives - Virtual Sessions  
March 13, 2023**

---

Dear Assessment Coordinators,

I am writing to ask for your attendance to one of our two virtual sessions with Provost Lejuez to discuss the upcoming General Education Assessment Initiative (assessing SBCs). This initiative is a critical part of our ongoing efforts to ensure that our students receive a high-quality education that prepares them for success in their future endeavors.

We will be holding two sessions. The first is on Thursday, March 23rd from 10-11am and the second will be Tuesday, March 28th from 4-5pm. During these sessions, we will provide an overview of this simple approach assessment, our goals, and be there to answer any questions you may have.

The General Education Assessment Initiative is an important opportunity for us to evaluate our current curriculum and ensure that it is meeting the needs of our students. By participating in this session, you will have the opportunity to learn more about this initiative and how you can contribute to its success.

We understand that your time is valuable, and appreciate your willingness to participate in this important initiative.

Thank you for your continued commitment to our students' success.

Sincerely,  
Catherine Scott
