Feedback Survey on the Assessment Process

Dear [Assessment Coordinator Name],

The Office of Educational Effectiveness would like to get feedback from assessment coordinators on their experience with the assessment process, policy, and procedures over the last two years.

Please consider taking ten to fifteen minutes to complete this anonymous survey to help us improve the assessment process at Stony Brook University. Your input as faculty and staff engaged in the work of assessment will be critical to explore how we can make academic program assessment more meaningful and sustainable on our campus.

As a reminder, assessment reports for 2024-25 are not due until September 2025. In light of this pause, we encourage you to use this time to reflect on your experiences and provide constructive feedback through this survey. Thank you for your continued support and engagement in this process.

Best,
Catherine Scott
