Good afternoon,

SBU is requesting a Pre-Award Waiver Request partial SDVOB waiver for our Contract C003001. This contract provides for furnishing, erecting and dismantling approximately 750 linear ft. of 5 ft. wide x 27 ft. high pipe scaffolding around the perimeter of Building D of the West Apartments at SBU's main Campus. The value of this contract is \$168,000.00.

Rennon Construction was the lowest bidder and is the Prime Contractor for our Contracts C002779 and T003004, which are for scaffolding at SBU's West Apartments Buildings A and C respectively. Rennon Construction is a certified MBE, but the scope of the work is too small to allow for subcontracting since it is limited to:

Furnish, erect and dismantle approximately 750 linear ft. of 5 ft. wide x 27 ft. high pipe scaffolding around the perimeter of Building D of the West Apartments.

Please note that MWBE waivers have already been granted for Contracts C002779 and T003004 on the same basis.

As a result, we request that the SDVOB goals be eliminated for this contract (from 6% to 0%).
