

The Office of the Vice President for Research is pleased to host:

Stony Brook
Research

The Research and Innovation Town Hall Series

This series will gather the research community to learn about resources on Stony Brook campuses that support and drive research and innovation.

Join us for the first virtual research town hall of the 2024–2025 academic year:

Topic: East and West Campus Collaborations

Join faculty and staff from across campus for updates from the OVPR and brief presentations on how to engage with the **Scholars in Biomedical Sciences program, Research Computing Facilities, and Engineering-Driven Medicine.**

Wednesday, November 6, 2024
12 pm to 1 pm

All members of the SBU research community are welcome to attend.
