RE: End of the year report of the PTC-S 2019-2020

During the 2019-2020 academic year and summer 2020, the PTC-S did the following:

1. Acted on the following number of cases:

Promotion to Full Professor – 14

New Hire with Tenure – 6

Promotion to Associate Professor with Tenure – 3 (we assisted the PTC-J because they had an overload of cases)

2. Consulted with Jason Torre from the Library on preparation of their PTC files and information to be provided to the PTC to clarify Library criteria for promotion and tenure.

3. Consulted with the A&S Senate and the Provost's office on the extension of the tenure clock due to the COVID-19 pandemic.

4. Continued consultation on the creation of an independent SOMAS PTC.

5. Consulted with the Provost's office on DEI considerations in the academic review process.
